AAU President Receives Al Azhar University President

Prof. Ghaleb El Refae, President of Al Ain University of Science and Technology, discussed methods of academic and research cooperation with Prof. Abdelkhaleq Al Farra, President of Al Azhar University-Gaza.

The meeting took place as the AAU President received Prof. Al Farra and the delegation from Al Azhar University-Gaza at AAU campus in Al Ain.

 Prof. El Refae briefed the visitors on AAU's activities and programs in addition to the university's future development plans especially with regard to augmenting quality programs with fellow Arab universities.

On his part, Prof. Al Farra expressed his admiration of the level of services and quality education offered at AAU. He reiterated that Al Azhar University-Gaza will be honored to collaborate closely with AAU to help advance students' education.
