Al Ain University Involved in the Cleaning-up of UAE 2014 Campaign

The Deanship of Students Affairs at the Al Ain University of Science and Technology, based in Al Ain, in cooperation with various university faculties participated in the "Cleaning-up of UAE 2014" campaign, which was organized by the Emirates Environmental Group.

The Cleaning-up UAE campaign was set in motion by the Emirates Environmental Group to encourage people to do high-value activities in order to improve the environment and raise awareness about environmental issues facing our world today.

The campaign included participants from diverse sectors of the nation, in addition to volunteers and students in schools and universities in the city of Al Ain, who were all straining to achieve the goals of maintaining a clean environment and to raise environmental awareness by

developing a spirit of cooperation and interdependence within the community.
