Workshop on Quality in Education in Al Ain University

Organized by the Deanship of Students Affairs at Al Ain University of Science and Technology, based in Al Ain, a workshop on 'Quality in Education', which was presented by Dr. Nader Abdel Aziz Al Sanhouri, a faculty member in the College of Education, Humanities and Social Sciences. The workshop was held in Al Tafawaq School, where teachers and administrators from Al Tafawaq and Al Isra'a schools participated.

The workshop's aims were to give the participants' knowledge and positive trends concerning the caliber of the educational process, and more specifically the workshop increased the participants ' capacity to realize the import of quality in education and the reasons for the application of quality in the educational arrangement. It also spotlighted the importance of quality management in training, the principles underlying quality management in education and the goals of quality management in training as well as quality standards in an educational procedure.
