A Distinguished participation for AAU at NAJAH Abu Dhabi Exhibition 2016

Al Ain University of Science and Technology participated in the 10th session of NAJAH Abu Dhabi Exhibition 2016 for Education, Training and Career Fair which is held at Abu Dhabi National Exhibition Center from 25 to 27 October 2016, under the patronage of H.E Sheikh Nahyan Bin Mubarak Al Nahyan –the Minister of Culture and Knowledge Development and supported by Abu Dhabi Education Council and Ministry of Education – Higher Education Affairs.

The aim of the AAU participation is to communicate with the students and the parents, as Al Najah Exhibition is the best opportunity for all who is interested in completing their undergraduate or graduate studies to know more about the university's specialized programs, its colleges and study programs at all levels, as well as answering all the questions and queries

of the students, in addition to the keenness of Al Ain University of Science and Technology to be presented at all exhibitions and conferences concerning the students, where the university has always sought to achieve continuous communication with students and deliver a bright picture about Al Ain University at various levels.

It is worth to mention that Al Ain university of Science and Technology proposed its twenty one Bachelor programs across the six colleges, namely the Colleges of Engineering and IT, College of Pharmacy, College of Law, College of Education, Humanities and Social Sciences, College of Business Administration and College of Communication and Media. It also offers Master's programs in: Clinical Pharmacy, Public and Private Law, Business Administration and Teaching English in addition to the Professional Diploma in Teaching, where all of these programs are credited by the Ministry of Education – Higher Education Affairs.
