A Scientific Trip for AAU students to ADIB

In the context of coordination between two campuses, the College of Business at Al Ain University of Science and Technology organized a scientific trip for Finance and banking students from Al Ain and Abu Dhabi campuses to Abu Dhabi Islamic Bank (ADIB), Head Office, Abu Dhabi. The trip was organized and implemented by Dr. Mosab Tabash and Dr. Hassan Ismail Hassan.

As a part of Islamic financial intuitions course, students had the opportunity to know more empirical insights about Islamic finance industry and how it is different from conventional one. They also got further explanations about Islamic banking products offered by ADIB and how they are implemented in the market. Mr. Shadi Mohamed from Shariah Division in ADIB gave a very detailed and interesting presentation for the students in the context of the Islamic finance industry along with interaction meeting with students.

At the end of the visit, students have expressed their satisfaction in what they have gained from the actual situation of the marketplace. Finally, Dr. Mosab and Dr. Hassan, on behalf of the university, thanked ADIB management for their efforts in cooperating with the AAU.
