AAU receives the Freshmen Students with special activities

The Deanship of Student Affairs at Al Ain University of Science and Technology received the Freshmen Students who enrolled in the university in the beginning of the Academic Year 2017-2018, by providing guided events, activities and incentive gifts, in addition to the presentation of a short instructional film explaining the most important regulations and laws should be followed by the freshmen in the university, in order to integrate new students into the university atmosphere and creating an atmosphere of entertainment.

Prof. Ghaleb El Refae, AAU President, met the Freshmen Students within the Freshmen Orientation Day at Al Ain Campus, in the presence of Dr. Ibtehal Aburezeq, Dean of Student Affairs, College's Deans and academic and administrative staff.

At the beginning of the meeting, the AAU President welcomed the Freshmen students and wished them a year full of interest and fun. Then he spoke about the AAU programs and the

international accreditation. Prof. El Refae stressed on the importance of students' communication with all the departments in the university who are ready to help them all the time.

For her part, Dr. Aburezeq stressed on the need for students to participate in extracurricular activities through the Deanship of Student Affairs, to be responsible persons and to respect regulations, instructions and laws at the university.
