Excited Day for the Freshmen Students of AAU at Abu Dhabi Campus

Dr. Amer Qasem, AAU Vice President met the Freshmen Students within the Freshmen Orientation Day which organized by the Deanship of Student Affairs at Al Ain University of Science and Technology – Abu Dhabi Campus.

In his speech, the Vice President welcomed the freshmen, stressed on that the Al Ain University will always support them and their talents, expressed that the AAU is proud to be one of the most prominent educational institutions in the UAE. He also encouraged the freshmen to be distinguished in the educational achievement and wished them a successful year.

For his part, Dr. Hani Al Jarrah, Deputy Dean of Student Affairs, focused on the Deanship of Student Affairs role in organizing activities and its objectives, He called on students to

participate in all extracurricular activities and to integrate academic and recreational life throughout their academic life.

At the end of the meeting, Mrs. Leena Abu Lebdeh, Library Supervisor, talked about the library, the sources, services, and policies and wished all students to benefit from all the services provided by the library.
