## **Student Delegation from AAU visits “Statistics Center”**

The Academic staff of the College of Business at Al Ain University of Science and Technology organized a visit to Statistics Center – Abu Dhabi, for the students of the Social Statistics Course from Abu Dhabi and Al Ain Campus.

The visit aims to let the students know more about the center, which is considered as the main official authority for collecting statistical data in Abu Dhabi.

Dr. Noha Hamada coordinated with the center to provide the students with the required data specially the sociology students to complete their research projects.

Dr. Shorouq Eletter, praised this visit which had a positive and constructive impact in enriching student information.

The students interacted with the Center's lecturers through various discussions to increase the statistical and social information related to their community.
