AAU Participates in a Walkathon against Cancer

The Deanship of Student Affairs represented Al Ain University of Science and Technology in a Walkathon against Cancer organized by Moazzara Association and Mediclinic Hospitals to support the breast cancer patients.

The Walkathon was for about three kilometers and included hundreds of participants from various institutions. It was followed by a series of health, entertainment, and lyrical activities.

Dr. Ibtehal Aburezeq, Dean of Student Affairs, said that the participation of Al Ain University of Science and Technology in this Walkathon promotes the spirit of social solidarity and it comes in line with the UAE events in the breast cancer awareness month. She added, our participation emphasizes the University's keenness to interact with external institutions and engaging with the community.
